# AGREED ORDER DOCKET NO. 2007-0638-MWD-E

#### I. JURISDICTION AND STIPULATIONS

At its \_\_\_\_\_\_ agenda, the Texas Commission on Environmental Quality ("the Commission" or "TCEQ") considered this agreement of the parties, resolving an enforcement action regarding City of Madisonville ("the City") under the authority of TEX. WATER CODE chs. 7 and 26. The Executive Director of the TCEQ, through the Enforcement Division, and the City appear before the Commission and together stipulate that:

- 1. The City owns and operates a wastewater treatment facility located 550 feet east of South Martin Luther King Street and 750 feet south of the intersection of South Martin Luther King Street and 4th Street in Madison County, Texas (the "Facility").
- 2. The City has discharged municipal waste into or adjacent to any water in the state under TEX. WATER CODE ch. 26.
- 3. The Commission and the City agree that the Commission has jurisdiction to enter this Agreed Order, and that the City is subject to the Commission's jurisdiction.
- 4. The City received notice of the violations alleged in Section II ("Allegations") on or about April 10, 2007.
- 5. The occurrence of any violation is in dispute and the entry of this Agreed Order shall not constitute an admission by the City of any violation alleged in Section II ("Allegations"), nor of any statute or rule.
- 6. An administrative penalty in the amount of Four Thousand Fifty Dollars (\$4,050) is assessed by the Commission in settlement of the violations alleged in Section II ("Allegations"). Eight Hundred Ten Dollars (\$810) is deferred contingent upon the City's timely and satisfactory

· 

compliance with all the terms of this Agreed Order. The deferred amount will be waived upon full compliance with the terms of this Agreed Order. If the City fails to timely and satisfactorily comply with all requirements of this Agreed Order, the Executive Director may require the City to pay all or part of the deferred penalty. Three Thousand Two Hundred Forty Dollars (\$3,240) shall be conditionally offset by the City's completion of a Supplemental Environmental Project.

- 7. Any notice and procedures, which might otherwise be authorized or required in this action, are waived in the interest of a more timely resolution of the matter.
- 8. The Executive Director of the TCEQ and the City have agreed on a settlement of the matters alleged in this enforcement action, subject to the approval of the Commission.
- 9. The Executive Director may, without further notice or hearing, refer this matter to the Office of the Attorney General of the State of Texas ("OAG") for further enforcement proceedings if the Executive Director determines that the City has not complied with one or more of the terms or conditions in this Agreed Order.
- 10. This Agreed Order shall terminate five years from its effective date or upon compliance with all the terms and conditions set forth in this Agreed Order, whichever is later.
- 11. The provisions of this Agreed Order are deemed severable and, if a court of competent jurisdiction or other appropriate authority deems any provision of this Agreed Order unenforceable, the remaining provisions shall be valid and enforceable.

#### II. ALLEGATIONS

As owner and operator of the Facility, the City is alleged to have:

- 1. Failed to orally notify the TCEQ of an unauthorized discharge within 24 hours and to provide written notification within five days of becoming aware of the noncompliance, in violation of 30 Tex. Admin. Code § 305.125(9)(A) and TPDES Permit No. 10215001, Monitoring and Reporting Requirements No. 7, as documented during an investigation conducted on January 11, 2007.
- 2. Failed to prevent the unauthorized discharge of wastewater into or adjacent to water in the state, in violation of TEX. WATER CODE § 26.121(a) and TPDES Permit No. 10215001, Permit Conditions No. 2(g), as documented during an investigation conducted on January 11, 2007.

#### III. DENIALS

The City generally denies each allegation in Section II ("Allegations").

## IV. ORDERING PROVISIONS

1. It is, therefore, ordered by the TCEQ that the City pay an administrative penalty as set forth in Section I, Paragraph 6 above. The payment of this administrative penalty and the City's compliance with all the terms and conditions set forth in this Agreed Order resolve only the allegations in Section II. The Commission shall not be constrained in any manner from requiring corrective action or penalties for violations, which are not raised here. Administrative penalty payments shall be made payable to "TCEQ" and shall be sent with the notation "Re: City of Madisonville, Docket No. 2007-0638-MWD-E" to:

As set forth in Section I, Paragraph 6 above, Three Thousand Two Hundred Forty Dollars (\$3,240) of the assessed administrative penalty shall be offset with the condition that the City implement the SEP defined in Attachment A, incorporated herein by reference. The City's obligation to pay the conditionally offset portion of the administrative penalty assessed shall be discharged upon final completion of all provisions of the SEP agreement.
- 3. It is further ordered that the City shall undertake the following technical requirements:
  - a. Within 15 days after the effective date of this Agreed Order, update the Facility's operations guidance and conduct employee training to ensure that all unauthorized discharges of wastewater are reported to the TCEQ orally within 24 hours and written notification is provided within five days of becoming aware of the noncompliance, in accordance with TPDES Permit No. 10215001;
  - b. Within 30 days after the effective date of this Agreed Order, identify and implement all necessary preventive maintenance and rehabilitation corrective actions to prevent the unauthorized discharges of wastewater; and
  - c. Within 45 days after the effective date of this Agreed Order, submit written certification of compliance as described below, and include detailed supporting documentation including photographs, receipts, and/or other records to demonstrate compliance with Ordering Provision Nos. 3.a. and 3.b. - 4. The provisions of this Agreed Order shall apply to and be binding upon the City. The City is ordered to give notice of the Agreed Order to personnel who maintain day-to-day control over the Facility operations referenced in this Agreed Order.
- 5. If the City fails to comply with any of the Ordering Provisions in this Agreed Order within the prescribed schedules, and that failure is caused solely by an act of God, war, strike, riot, or other catastrophe, the City's failure to comply is not a violation of this Agreed Order. The City shall have the burden of establishing to the Executive Director's satisfaction that such an event has occurred. The City shall notify the Executive Director within seven days after the City becomes aware of a delaying event and shall take all reasonable measures to mitigate and minimize any delay.
- 6. The Executive Director may grant an extension of any deadline in this Agreed Order or in any plan, report, or other document submitted pursuant to this Agreed Order, upon a written and substantiated showing of good cause. All requests for extensions by the City shall be made in writing to the Executive Director. Extensions are not effective until the City receives written approval from the Executive Director. The determination of what constitutes good cause rests solely with the Executive Director.
- 7. This Agreed Order, issued by the Commission, shall not be admissible against the City in a civil proceeding, unless the proceeding is brought by the OAG to: (1) enforce the terms of this Agreed Order; or (2) pursue violations of a statute within the Commission's jurisdiction, or of a rule adopted or an order or permit issued by the Commission under such a statute.
- 8. This agreement may be executed in multiple counterparts, which together shall constitute a single original instrument. Any executed signature page to this Agreement may be transmitted by facsimile transmission to the other parties, which shall constitute an original signature for all purposes.
- 9. Under 30 TEX. ADMIN. CODE § 70.10(b), the effective date is the date of hand-delivery of the Order to the City, or three days after the date on which the Commission mails notice of the Order to the City, whichever is earlier.
